Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the filing(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

- Your committee has filed an amended Statement of Organization to reflect changes in your registration information. Please be advised that under 11 CFR § 104.18(f), if a committee files an amendment to a report that was filed electronically, the committee shall submit a complete version of the report as amended, rather than just those portions of the report that are being amended. Further, 11 CFR § 104.18(c) defines report as any statement, designation, or report required by the Act to be filed with the Commission. Please provide a complete amended Statement of Organization to disclose any omitted information including bank depositories, candidate name and committee email address.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
